Technical Skills
Languages: SQL, R, Java, HTML, CSS
Frameworks: Angular JS, Django, Angular, ASP.NET, Flask
Tools: SAS, Excel, Azure, Tableau, Zoom

Education
University of Washington   Expected March 2024
B.S. Double Major - Applied and Computational Math Sciences   Seattle, WA
      Relevant coursework: Multivariate Statistical Methods, Applied Regression, Introduction to Machine Learning, Computational Methods for Data Analysis, Computer Programming I and II

Coursera: Introduction to Data Science, Computational Methods for Data Analysis

Relevant Campus Involvement
DubHacks, University of Washington   October 2021 – present
Logistics Director (2021), Team Participant (2020)   Seattle, WA
- Coordinated, with 2 other directors, all logistics for a 24-hour event including power supplies, refreshments, seating, and first aid, ensuring that over 75 participants had a successful experience
- Collaborated with 3 students to build an app that matches students to study groups based on strengths and academic needs
- Presented the app to an audience of 200+ by creating effective and engaging use cases and live demonstrations and analyzing market research to create data visualizations
- Placed third out of 50 teams at the 2020 DubHacks hackathon for development of a robust, fully functional app that meets the needs of a large population; invited to pitch full launch and integration of the app into the university ecosystem at a leadership conference

Work Experience
UW Housing & Food Services   January 2022 – present
Systems Assistant, UW Dining   Seattle, WA
- Track, reconcile, and ensure accuracy of more than 350 purchasing orders and vendor reports
- Research product nutritional information through vendor inquiries and USDA research and work with registered dietitian to develop streamlined nutritional reporting process
- Standardize nutritional packaging information and present updates to UW Dining staff
- Run reports on trends in product nutrition and visualized data through Excel charts and tables

Additional Campus Experience
UW Latinx Student Union, University of Washington   November 2020 – present
Member   Seattle, WA
- Recruit new members and support outreach efforts through staffing booths at fairs around campus
- Organize supply and toy drive events and market through Facebook and email announcements resulting in over 65 UW community members participating

First Year Programs, University of Washington   September 2021
Dawg Daze Volunteer   Seattle, WA
- Ensure that incoming freshmen students have a memorable experience and meet people while staffing 9 events out of more than 200 total events during Dawg Daze
- Assist event leaders including seating, answering student questions, and distributing materials and supplies so that each event runs smoothly and successfully
